

Roshan Nandanwar

BCA First Year Student | Aspiring AI/ML & Computer Vision Engineer

Motivated BCA first-year student with a strong foundation in programming, object-oriented concepts, and frontend development. Currently working as a remote Data Annotator, gaining hands-on experience with data preparation for AI and machine learning models. Seeking internship opportunities to develop skills in AI/ML and computer vision while contributing to real-world projects.

Work Experience

Data Annotator (Remote)

Dec 2025 – Present

- Annotating and labeling datasets for AI and machine learning models
- Working with image and text data to ensure accuracy and consistency
- Following project guidelines to maintain high-quality data standards
- Gained exposure to real-world AI workflows and data pipelines through practical annotation tasks

Projects

Portfolio Website

- Designed and developed a personal portfolio website using HTML, CSS, and JavaScript
- Showcases skills, projects, and contact information
- Implemented responsive design for better user experience across devices
- Built as a foundation to showcase future AI/ML and computer vision projects

Educational Background

Bachelor of Computer Applications (BCA)

First Year

Pillai University, PCACS

2025 – Present

Skills

Technical Skills

- Python
- Java
- C, C++
- JavaScript (Basic)
- HTML5, CSS3
- Object-Oriented Programming (OOPS)

Tools

- VS Code
- Git & GitHub (Basic)
- Frontend Development Tools

Languages

- English
- Hindi
- Marathi

Certification

- AI Tools & Fundamentals Certification
- HTML Certification
- Front-End Web Developer Certification

Additional Information

- Strong interest in Artificial Intelligence and Machine Learning
- Aspiring Computer Vision Specialist
- Interest in Entrepreneurship and Tech Startups
- Continuous learner with focus on practical implementation
